My name is Tina Chau. I'm 23 years old. I was born and raised in Atlanta. My love for volleyball came when I was in the 9th grade, Coach Derick Powell was actually my coach and Coach Charlette was my trainer. Volleyball grew upon on me through out my high school years. After I graduated high school, I pursued college to get my Associate's Degree in Business Administration. Yet I was still missing volleyball. I played rec volleyball and went to my high school to help train the players. After that I saw coaching was the next level, I joined A5 South months later. I have a five year old daughter and her name is Madison. Madison is already creating her love for volleyball and is excited for this volleyball season.
